

Report on World Health Day – 2016

As a part of “World Health Day – 2016” celebration Rama College of Nursing in association with Rama Medical College Hospital and Research centre, Mandhana, Kanpur organized medical camp on the theme BEAT DIABETES at Dhamni Nivada primary School on 07/04/2016. Peoples from Shivrajpur were screened for blood glucose and urine sugar to diagnose Diabetes Mellitus along with general physical examination. Free consultation, Medication and Referral Services was given to all patients diagnosed with Diabetes Mellitus and other disease conditions.

Around 100 patients with Diabetes Mellitus and other disease were benefited with the health camp. Health exhibition was done by nursing students on various aspects of Diabetes Mellitus such as Causes, Signs and Symptoms, Prevention and Rehabilitation. Consultation of patients was done by Dr. Amit Jain and Dr. Vikas Gupta of Rama Medical College and Hospital. The overall programme was successful.
